Visiting speakers this year

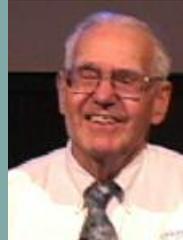

Dr. Henry Morris III, President, Institute For Creation Research, Dallas, Texas. ICR is the largest creationist research organization in the world. Dr. Morris presents evidence from scripture and science in *Demand the Evidence* conferences. His fact-filled presentations will keep you on the edge of your seat and equip you to defend your faith.

Dr. Don Patton, has worked as a geologist and archaeologist in the United States as well as in Canada, Australia, England, Mexico, Peru, and Bolivia. Most recently, he has participated in several trips to Turkey, climbing and researching for Noah's Ark on Mt. Ararat. He brings us the latest results of this research.

Paul Veit, is known as the "Dinopastor", a paleontologist and creation evangelist, who captivates children & adults with his presentation, *Stones and Bones, Claws and Jaws*. He is founder of Declare God's Wonders Creation Ministry, Bridgeton, Maine. Check out the special Kids Creation School track on Saturday morning.

Dr. Donald Chittick has a doctorate in Physical Chemistry and is the author of *The Puzzle of Ancient Man* now in its third edition. He is the founder of Creation Compass, and holds several U.S. and foreign patents. He has lectured in the United States and internationally for more than twenty years.

Topics at this conference will include:

- Clearly Seen Invisible Things • Dinosaur Encounter
- Noah's Ark—Found? • Can Petunias Hear? • Supernatural Word of God • Mystery of Ancient Civilizations • High Tech Incas & Other Pre-Columbian Peoples • Worldviews, Time & Astronomy

20 Year Anniversary

Design Science Association: Past, Present and Future!

TWENTY YEARS AGO, Dr. Frank Watts, having studied at an Institute for Creation Research workshop, was inspired to form a local organization to promote the scientific evidence corroborating the Bible's narrative of the Earth's natural history. A small group gathered to found the association, including Steve Hayley, Irene Tegeler, Steve Simpson, Will Tebbs, Phillip VanHoute, along with Frank and Ina Watts.

For this month's meeting we will celebrate DSA's 20 years by looking back and considering the origins and history of our group, what we stand for, and reflecting on what has been done.

As part of this meeting a special movie has been produced and will be shown, containing video clips and photos of speakers, events, field trips and other notable moments. Time will be set aside for people to share DSA memories or funny stories, with a few comments from present, past and founding leaders. Also, photos of field trips and past group events will be dis-

played in the meeting room.

And as is our custom, bring a plate of your best Christmas goodies to share with the group!

THIS MONTH'S DSA MEETING WILL BE HELD ON Saturday, December 18, 2010, from 9 to 11:30 AM, at Rolling Hills Community Church. Be sure to join us for this 20th anniversary party, as we consider DSA's Past, Present and Future.

STATEMENT OF BELIEF

- 1 The Bible, in its entirety, is God's inspired word. In its original autographs, it is fully accurate, not only concerning spiritual issues, but also in matters of history and science.
- 2 The universe and all that it contains, both living and non-living was designed by God and created out of nothing in six literal days as described in Genesis. Biological changes since creation have been confined within the created kinds.
- 3 The creation occurred several thousand years ago, not millions or billions.
- 4 The Noachian Flood, as described in Genesis, was an historic event, world-wide in extent.
- 5 Acceptance of the Lord Jesus Christ, who is God and Creator, is mankind's only path to reconciliation with God.

I have read and subscribe to the Statement of Belief of Design Science Association and wish to become a voting member. Enclosed is my membership fee.
